CONNECT is an innovative, multifunction stand that allows you to quickly configure a self-service kiosk for any indoor environment.

Whether deployed on a countertop or as a floor-standing kiosk, Connect can be adapted for both attended and unattended applications.

Select from an assortment of touch computers, printers, payment devices and scanners to create **the kiosk solution best suited for your needs**.

Key points

Compact and stylish

Sleek, space saving design delivers self-service functionality to any indoor environment

Modular

Works with any VESA-ready Touch Computer from 15" to 24"

Simple

Easy to assemble, install and maintain

Versatile

Deploy on a countertop or as a floor standing kiosk in either portrait or landscape orientation

Configurable

Adapt to any need by adding a printer, payment device, barcode scanner and more
